Joan Cummings

Joan Cummings joined Zeta Zeta in 1970. She and Alice Reynolds have belonged to our chapter the longest. If you haven't met Joan, it's because she's usually traveling. She has a wonderful sense of humor and is fun to be around. She got her masters from San Francisco State and was a classroom teacher two years short of 40 years. She is a volunteer with ART.

Teachers Helping Another Teacher Program was created to promote Chi State's visibility by providing support for teachers. Please record and save any and all hours that you spend helping an individual teacher, a particular school, a school district, or teachers in a community, professional development field, or at the college level. Judy Simkin collected over 200 hours so far. She will be collecting them again in April. Copy available at <http://www.chistate.org> under FORMS.
