

DELTA KAPPA GAMMA - Zeta Zeta Chapter

Promoting professional and personal growth for members and excellence in education

October 11, 2011, Minutes

Scott's Restaurant, Walnut Creek, CA

- I. Call to order: 5:30 PM, Stephanie Brown-Myers presiding
Guest Speaker: Susan Bonilla, California Assemblywoman from the Eleventh District. Susan is a former high school teacher. She has served on the Concord City Council, Contra Costa Board of Supervisors and since Nov. 2010, as Assemblywoman and Chair of the Assembly Education Budget Committee. Her topic was funding issues in education and their impact on our schools. Budget cuts have resulted in changes in class size, tuition increases, reduction of staff and all have had significant impact. Monies have been deferred and districts are having to borrow to meet their obligations. Teachers are still managing to be effective but she said: "Teachers are pulling the wagon up hill and the wheels are falling off that wagon." The long range effects on our schools and our students preparation for the work force is unknown but could be devastating. Further cuts may be made in December if forecasted monies don't materialize. Susan is trying to write bills that prioritize student needs.
- II. Ice Breaker: Elaine Penning and Carmen Curtis led us as we organized ourselves alphabetically by our first names. We then were photographed in groups alongside the fiftieth birthday cakes that were prepared to celebrate Zeta Zeta's 50th Birthday. Isabelle Zamanian read our Chapter Charter from October 1, 1961, and Sallie Nelson read our Seven Purposes aloud. Carmen Curtis recalled that today, October 11, 2011 was the 100th anniversary of a woman's right to vote in California.
- III. Welcome - Introduction of Guests: Stephanie Brown Myers introduced two guests. Carli Owen a second grade teacher at Country Club School and Charlene McPherson who was a second grade teacher at Country Club School and is now retired.
- IV Attendance: Denise Dolan reported 31 people in attendance tonight. Since Marilyn Steichen was not here tonight and we will not have a regular meeting again until after the holidays, Denise passed around a sign up sheet for the Christmas Angel Program. Marilyn will be in touch with those who signed up and will provide guidelines for gift buying and delivering gifts to her.

VIII. President's Message: Stephanie Brown-Myers read a survey from Chi State Executive Committee to which we responded as a group. The questions had to do with planning for the timing of convention intersessions, areas of interest for intersessions and a technology workshop. They also asked if we provided financial incentive for registration for the convention and we do provide for our president and one new member.

They wanted to know if anyone in our chapter had written a book.
