A MESSAGE FROM YOUR PRESIDENT

As we are preparing for our last meeting of the year, and our biennium (two years of planning, work, and enjoyment) I would like to take this time to acknowledge and thank our wonderful executive board. About this time two years ago I was asked to consider taking the leadership role for the Zeta Zeta Chapter. It had not been something that I had planned, but when I was told who was agreeing to do the various jobs on the board I know that I would be well supported.

Lynne Heyne, as corresponding secretary, has been wonderful in sending chapter messages and keeping us abreast of our chapter members by circulating and preparing our "What's Happening" notes. This has afforded us the opportunity to get on with our meeting topic and still have a chance to keep up on the many activities and life changes in our fellow member's lives.

Sue Robinson has been able to keep our finances straight so that our auditors can concur that we are in good shape. She has keep up to our budget and regularly reports her data in the most cheerful manner.

Joe Anne Doyle and Gail Costello have seen us through one of the largest increases in membership in some time. With the help of our active membership, we have added 10 members in this last two years.

Elaine Penning and Linda Swatek have done a monumental job of keeping minutes at our

meetings in spite of their busy schedules. They do a great juggling act to assure that one is always present. Having done that job I certainly know how demanding the task can be.

Kit King, as our parliamentarian and past president has been able to keep me on track, not only as an informational support but also as our terrific newsletter editor. She keeps us all focused.

And last but certainly not least is our dynamic duo vice-presidents in charge of programs, **Donna Bell and Valerie Kellner**. They have done an exemplary job of making my dreams come true. When I thought about how these two years might look, I had a vision to tie our programs to the seven purposes, so clearly posted at the end of this newsletter. They have made those visions come true. Looking back over the two years, we have united, honored, advanced professional interest, been informed on legislation, endowed, stimulated interest, and been informed. This has been done through speakers, including **Ann Struthers** from VESTIA, **Carol Rowley** and Assemblywoman **Susan Bonilla, Patti Platt** from CalSTRS, Storyteller **Olithia O'Toole**, and Director **Paul Foucart** with technology. They also brought in the League of Women Voters for an extra gathering to inform us before the fall elections.

I thank all of the members for allowing me to get to know you and link you to this wonderful organization of DKG. At this time I wish to thank this executive board for their support of our chapter.

Stephanie

NEWS FROM CHI STATE CONVENTION

By **Karen De Baca Martens**, Zeta Zeta Chapter

I didn't know I had 560 sisters, but I do. As a new member of Delta Kappa Gamma I went to the Chi State Convention for the first time. Like a regular newbie I wandered the halls, searched for rooms, was late to lunch and asked a million questions. Soon I began to know I was a part of something big--bigger than me and bigger than anything for which I knew I had ever been a part. I saw

hundreds of women everywhere with an excitement that only a convention can bring.

The Chi State Convention was held in Irvine, California from May 4 through May 6. As I entered the Irvine Marriott Hotel with great expectations, I found to my great amazement that everything ran smoothly and functioned as a well oiled machine like no other convention or conference I've ever attended. Yes, I've been to many state and national conferences before, but our Chi State convention was absolutely put together by women of distinction for women of distinction and recognized and honored many women of distinction.

What I took away is that a rose is a symbol of courage, strength, camaraderie and love. The passing of the torch to new members can be strengthened, and further insights could be given as to how to enhance the convention for "newbies" but leadership will always be an important focus for which we all want to be a part.

Most of all, always go to your first state convention with a mentor--someone like my wonderful cousin Diana Sawin. Her guidance and understanding was immeasurable and she helped me to get the most value from everything I could
